CLEAN ENERGY · FREE FUTURE

WHO WE ARE

Texas Energy Corp. is a private LNG company based in the USA with offices in Boston, MA and Houston, TX. Starting in 2016 Texas Energy has grown building partnerships throughout Asia to access LNG terminals and Natural Gas end customers to build its global LNG platform. Currently, Texas Energy has signed multiple agreements that provide access to more than 4 mtpa (million tons per annum). We abide by the rules of the free trade market, and we are committed to realizing the ideal of fair trade.
